ADMIRERS PRESENT A PIG TO SUNDAY AT BALTIMORE

Evangelist's Sermon Stirs 18,000 People and 253 Hit the Sawdust Trail.

Special Dispatch to The Star.

BALTIMORE, April 15.—Gifts sent to the rostrum of the Billy Sunday Tabernacle last night by delegations of Baltimoreans, desiring to express in a tangible way their admiration for the revivalist broke all records for variety, novelty and value.

Unique among last night's gifts was one from Sunday from the butchers of Lafayette Market—a dressed pig on a board. It was a most ornately garnished roast, its body carefully shaved, its mouth propped open with the usual apple, its head made lifelike with artificial eyes, and Sunday grinned like a small boy when he saw it.

With most of the presents were cards or notes expressing appreciation of the Sunday campaign. But the one that aroused the most enthusiasm in the congregation was this message: "May you live to see your brightest ambition realized—the destruction of the liquor traffic."

Mr. Sunday's sermon yesterday afternoon from Job 1:1—"There was a man in the land of Uz whose name was Job, and that man was perfect, and one that feared God and hated evil."

Mr. Sunday's sermon last night was on the topic, "Do God's Will." His text was: "If any man will do His will, he shall know of the teaching, whether it be of God or whether I speak of myself."—John 7:1.

The evening congregation consisted

of 18,000 men, women and children, and that it was unusually aroused by Sunday's sermon, which was a vigorous defense of the Bible and a rather theological setting forth of the principles of God's plan of salvation, was evidenced by the fact that 253 persons hit the trail. These, with twenty who professed conversion in the afternoon, brought the total for the day to 273.

Twenty-one thousand persons attended the two services, bringing the grand total of attendance to date to 1,155,200.

Anti-Saloon League, announced yesterday, amounted to \$693.78. This brought the total of money collected for charitable purposes (the tabernacle to \$2,852.72; for the expenses of the campaign \$49,041.76 has been collected, the grand total, including Thursday's collection, being \$44,815.48.

Many American Manufacturers to Participate in Paris Exposition.

Enormous demand by American manufacturers and exporters for space at the exposition of reconstruction, to be held in the Palace Gardens in Paris in July, has made it unnecessary for Henry C. Long, of the American Chamber of Commerce there, to come to this country to lecture in interest of the exposition.

Mr. Long had made plans to come to the United States to deliver lectures in the big cities, in order to get manufacturers and exporters to take some of the space.

Aside from the allies, the United States was the only country whose business men were invited to place exhibits.

John W. Coggins, eighty-six, father-in-law of W. M. Yearley, died at his home in Baltimore from pneumonia and heart disease. He was born in Oxfordshire, England, and came to this country when twenty years old.
